

# JOEL JOHANNESON

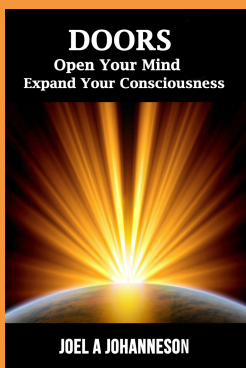

"I have a vast background and depth of experience in assisting people to unlock their true potential from the inter-most depths of themselves to transform to joy and fulfillment"

Successful Business Leader and Entrepreneur. Over 30 years of leading teams and mentoring and coaching on an individual level.

Over the past 30 years, Joel has honed his intuitive skills through formal study and practical application. He has always maintained his inner connection to higher knowing. Applying his gift to his career he became a successful entrepreneur. Compassion is what has driven Joel to support hundreds of people to unlock and live their true potential.

Through his understanding of the heart and inner sight, Joel has developed a unique approach to healing and consciousness that supports others to experience the infinite nature of Life.

Studies have included past life regression with Brian Weiss. Graduate Monroe Institute. Mediumship Practitioner, Psychic certified, Master Practitioner Zimbate healing, Holographic Kinetics Practitioner.

Joel's new book DOORS is an exploration into the most discussed and debated topics of our time. Developed to open the mind and expand consciousness, Joel offers definitions, explanations, examples and simple but effective exercises to offer the reader a personal experience within each topic behind each individual door.
