PODCAST HOST

WHEN DOCTORS SAY, "WE DON'T KNOW"

What's challenging today's medical professionals and sharing stories of triumph with patients.

WOMEN LEAD RADIO

On Owing Your Health, Eva interviews today's thought leaders addressing new complementary medicine in the workplace.

THE CORPORATE PROFESSIONAL'S "SECRET WEAPON"

OFFICIAL BIO

Eva Vennari teaches worldwide how to navigate complementary medicine and coaches chronically fatigued high-performers virtually as their secret weapon to stay in the game without burnout. It's science-based, no trends, no fads, and no drugs... ever. As a result, the immune system boosts and allows for the best productivity.

Eva Vennari is the founder and CEO of The Elevate Institute, a cutting-edge health practitioner firm specializing in empowering driven professionals to take charge of their body and their health. She is the Creator of REVEAL Optimal Health Intensive. It is a holistic process that lets you understand exactly what your body needs to heal and rejuvenate so you can continue bringing your talent to the world by feeling great in your body. Through science and common-sense habit changes, one can create shifts for a higher quality of life that far outlast the time invested.

MEDIA TOPICS

HEALING EVEN WHEN DOCTORS SAY "WE DON'T KNOW"

Chronic Illness is a part of Eva's story. She was told medicine was her only option and even that came with risks of developing cancer. Today, Eva teaches how to heal chronic illness naturally.

ALL MEDICINE IS GOOD... AT THE RIGHT TIME

There's a common complaint that Western Medicine doesn't work, but Eva says, they work if you use the right medicine at the right time. She coaches confused sufferers how to navigate it all.

HEALER'S BUSINESS DEVELOPMENT

Taking your mess and turning it into your message is how Eva built up her businesses, The Elevate Institute, LLC and Illumination Tours. Eva shares how intuition created valuable services for market.
