

## SHARON ANN ROSE

Sharon is an author, wise woman and transformational leader. Through the hypnotic and shamanic arts, and her connection to the earth and Sacred Feminine Mysteries, Sharon provides a safe place for others to find their wellspring of inner wisdom, self-healing and love.

Sharon has worked with over 1,000 clients and participants through her private sessions, group programs, spiritual mentorship and trainings. She provides a pathway to discover the resources within ourselves to transform the conditions we currently face in our social, global and personal environments.

## SHARON ANN ROSE

Transformational Coach,  
Wise Woman, Hypnotist

*In unpredictable and uncertain times,  
when more and more of us are asking  
questions around life purpose and  
meaning, Sharon is the light in the  
darkness. It's rare to meet a person, let  
alone get to work with someone who so  
consistently shows up in her loving. ~

## ENTRUST ENVELOP ENSOUL

To entrust is to put something in to someone's care or protection.

To envelop is to wrap up, cover or surround completely.

To ensoul is to endow with a soul.

*This work is about taking deep care of you.*

*Surrounding yourself in the love you've been longing for.*

*And filling your body with the enlivened power of your soul.*
