THE BLUEPRINT TO INFINITE INTELLIGENCE

## THE BOOK

### DESCRIPTION

Women are fed up with feeling pushed down, disregarded, and unable to speak their truth without becoming like a pushy, angry male. Whether it's in business, relationships, or in day-to-day life, *Access YOUR Ultimate Power* shows you a more feminine approach to getting what you desire in life by becoming more magnetic in your ultimate power versus chasing and forcing to make things happen. Discover how to raise your energetic vibes, including your money vibrations, to the desired magical life which already exists so you can attract with ease without spinning your wheels.

Kimberly Sherry broke through Dr. David R. Hawkins' scale of human consciousness (outlined in his book *Power vs. Force*) in 2012 and created a NEW scale to access even higher realms of awareness with infinite possibilities of joy, love and bliss. It's one thing to say "Raise your vibrations", and it's another thing to measure and know exactly where you are and whether you actually raised your vibes as far as humanly possible. By knowing how to measure your own calibrations for things like the hard working martyr, the low vibration of anger, and your money vibes, to name a few, you can seriously eliminate what prevents your highest abundant altitude.

"You can't gain any altitude if you're flying under the radar."

## THE AUTHOR

Author, Speaker, Mentor, Energy Expert, Frequency Alchemist

**KIMBERLY SHERRY** is an International Energy Healer, Money Energy Expert, Inspirational Speaker, #1 Best Selling Author, Spiritual Mentor and Frequency Alchemist.

She was born and raised in a religious cult, sexually abused by her alcoholic father and finally left the cult at the age of 38 when she became suicidal.

In July 1994, Kimberly started and ran a monthly support group for former Jehovah's Witnesses which lasted 9 years and literally saved people's lives from suicide instead of knocking on doors over decades.

She raised two children as a single mom after divorcing their emotionally abusive father who had been unfaithful for 23 of the 25 years they were married, but she couldn't prove it to the elders. She spent every week for twelve years training in the fascinating world of energy at Aesclepiion Intuitive Healing Center in San Rafael, California. This became her new cult only in reverse. She discovered her intuitive abilities, channeled, led healing clinics, and learned how to master her energy.

Although not allowed by the cult to go to college, she spent fifteen years in the financial planning world. She owned and operated an eco-flooring store for five years earning three quarters of a million dollars in her third year. In 2008, when the economic downturn caused her retail

flooring store to go bankrupt, she made it her mission to understand the energetic mechanics of why some people always struggle and others seem to thrive effortlessly.

She has traveled to more than a dozen countries with a focus on sacred sites. She has worked directly with many indigenous healers and three times spent eighteen days deep in the Amazon jungle with the Shipibo shamans. Twenty-five ayahuasca journeys later over five years, she broke through Dr. David Hawkins' scale of human consciousness outlined in his book *Power vs. Force* and made her first \$100,000 as an energy healer. She stands on Dr. Hawkins' shoulders and has created the NEW Infinity Scale that now accesses infinite possibilities.

Kimberly turned a lifetime of despair into the infinite joy she now shares around the world. She has a gift and passion for connecting world changing women to the power of their money and has helped tens of thousands of people release hidden blocks and fears through public speaking, her YouTube Channel, Facebook, small mentoring groups and private clients.

Kimberly's YouTube videos have been viewed more than 74,000 times by more than 1800 subscribers and she has more than 5500 fans over four Facebook pages. She admins for Empowered Minds on Facebook, a private group of more than 4000 former Jehovah's Witnesses.

Kimberly is best known for her gift of being able to tap into a person's vibrational field to measure their vibrational frequencies to assess their vibrational health. She does this without ever speaking to the person, knows nothing about them, and doesn't need to see a picture of them. The most common response to her Personal Vibrational Temperature Report is, "You nailed it!"

In *Access YOUR Ultimate Power*, she shows you the unique system that enables you to harness your ultimate power by accessing your infinite intelligence and mastering your own energy.
